

A Time to Re-Member

Where did the summer go? I thought that we as Lions were taking a couple months off to relax, sleep in, and hibernate for the fast-paced bi-weekly schedule to begin in September. Little did I realize that most of our fund raising activities took place in July along with membership recruitment. Maybe I'll take a couple months off and let Lion Travis take over. Sounds like a plan!

Just to highlight a few events in case you weren't there. On **June 14th**, a total of thirty-two members and spouses were fed a feast at El Cazador in Kimberly. What a turnout! I was greatly impressed. On **June 21st**, Lions Jake and Jared along with their beautiful lionesses (wives Sara and Cara) all dressed alike in Lion tee shirts and caps and impressed all the attendees during the Ageless Senior Citizens golf scramble. Jake stated they may not have won but had fun watching Jared playing hide-and-peek with his golf ball in the grass. Looked like a cat ready to pounce on his prey. Then along came **July 11th**, with the community dinner with our fine pork tenders Lions Mike, Travis, and Pat. I have never seen someone lift a greasy pig on a metal rod, step into an oily black barrel, and come out wearing clean khaki pants and a white polo shirt. Congratulations Travis! Thanks to all those that helped out including Lion Dave and Lee McKinley along with their entourage of service volunteers. Many were served and the dollars raised will be delivered to the Ageless Senior Center in the coming weeks. And not to forget **July 12th**, the Good Neighbor Days parade and all the preparation. Kudos to Dave Overacre for organizing, Virgil acting as a loud speaker, and all the members who

showed up to help finalize plans and keep things running smoothly. I am just sorry I missed it as I was tucked so snugly in my bed after working the night before.

Then along came **July 27th** for the Culpepper & Merriweather Circus at the high school. Ticket sales were light with the scheduling of the air show and other events throughout the valley, but Lions Jake and Travis along with Lioness Marian took time to greet kids and adults for ticket sales. We had twenty business sponsors for the circus, with many children tickets given back for use by East End Providers. There was a sighting of Lion Travis trying to shake hands with the other fellow lion's in their cages. Apparently the lioness didn't want a kiss or hug from him. Next time you see Travis; don't stare at the scratch marks on his face. The doctor said the scarring should be minimal and will fade with time.

I want to recognize our recent and upcoming members on **September 2nd** with a short ceremony welcoming them into our Lions Pride. Please come out and show your support to these newest members, welcoming them into the fold. With membership in mind, that is why I titled the newsletter as a Time to Re-Member. Not only do we need to support and encourage each other as a service organization, but we need to spread our message to the community and recruit. It only takes a little effort and we can easily maintain our membership as well as bring in new faces. Please make a special effort this next year to bring in a friend or fellow business partner. Thanks for all you do to make your community great. tim

UPCOMING FUNDRAISER

We have again been asked to help our fellow Lions from Twin Falls with the parking at the Twin Falls County Fair August 27th through September 1st. The shifts for assisting in the parking lot are afternoon and evening each day. Lion Pat will be the coordinator for the fundraiser and is seeking members of our group. Last year, we raised over \$800 for our efforts. Let's all support each other in this effort.
Call Lion Pat at 423-5649 to sign up!
